About Me

Aspiring Data Analyst with a strong foundation in sales and relationship management across banking and home lift solutions. Skilled in understanding customer profiles and behaviours, identifying customer needs, and delivering tailored solutions that drive successful sales outcomes. Recently completed Full Stack Data Analyst program at RevoU with hands-on skills in SQL, Python, spreadsheets, and Tableau BI for data cleaning, analysis, visualization, and generating actionable insights. Eager to leverage analytical skills and business experience to transform data into meaningful insights and support strategic decision-making.

Education

IPB University

Sep 2015 - Jan 2020

Bachelor of Fisheries

Thesis: Reproductive Performance of *Corydoras Paleatus* with Different Sex Ratios

RevoU

Oct 2025 - Feb 2026

Full Stack Data Analytics

Completed comprehensive training in end-to-end data analysis, covering SQL, Python, spreadsheets, and Tableau for data preparation, analysis, visualization, and business insight generation.

Working Experiences

Account Manager | PT Cibes Lift Indonesia

Jan 2026 - Present

- Consistently delivered strong sales performance, frequently exceeding monthly sales targets and maintaining an average KPI performance of 110–130% through effective lead follow-up and pipeline management.
- Analyzed client profiles and project requirements, while building strong relationships with homeowners, architects, interior designers, and contractors to expand business opportunities.
- Applied a value-based selling approach to position products beyond price competition, contributing to improved customer confidence and project closing rates.
- Collaborated with technicians and after-sales teams to ensure projects were delivered on schedule, while managing sales and purchasing documentation accurately and efficiently.

Relationship Manager Funding and Transaction | PT Bank Rakyat Indonesia

Sep 2024 - Dec 2025

- Analyzed client profiles and financial needs to recommend suitable funding and transaction products, supporting personalized customer relationship management.
- Conducted regular customer engagement through calls, chats, visits, and outreach programs to maintain satisfaction, strengthen retention, and build long-term relationships.
- Reached out to inactive clients and promoted BRI products and programs, contributing to the reactivation of customer accounts and increased service utilization.
- Developed customer acquisition strategies through market research and referrals, supporting new customer growth and lead generation.

Customer Service | PT Bank Rakyat Indonesia

Nov 2021 - Aug 2024

- Analyzed customer profiles, financial needs, and preferences to recommend appropriate banking products and services while enhancing customer understanding and satisfaction.
- Ensured the preparation and validation of customer administrative documents, maintaining accuracy, completeness, and compliance with banking procedures.
- Handled customer inquiries and resolved complaints effectively while recommending suitable banking products and services based on customer needs to maintain high customer satisfaction.
- Achieved 3rd place in the prestigious Brilian Service Excellent Competition 2023 for outstanding customer service performance and knowledge.

Surveyor | PT Waste4change Alam Indonesia

Aug 2021 - Oct 2021

- Performed field surveys and interviews with waste banks, aggregators, and cafes to collect data on waste management practices, and identified potential collaborations with Waste4Change for UBC waste processing.
- Provided information and education to communities or stakeholders about the importance of proper waste management and the benefits of the UBC composting system.

Co-Founder | Kedai Air**Sep 2020 - Feb 2021**

- Managed daily operations of a small food stall business, including stock monitoring, inventory control, and ensuring smooth operational activities.
- Managed the business Instagram account, including content planning, customer engagement, and Instagram advertising campaigns to increase brand awareness and sales traffic.
